keeps you will not slumber. Behold, he who keeps Israel
will neither slumber nor sleep. The Lord is your keeper;
the Lord is your shade on your right hand. The sun shall

Communications

Centennials' reliable efficient secretaries made sure everything ran smoothly throughout the year. Keeping attendance records straight, sending college transcripts, taking care of the different activities at Centennial and keeping the library working efficiently occupied our extremely busy secretaries. These ladies deal with the unpredictable student constantly. Our secretaries contribute to what Centennial is today, a school of which we can be proud

The Lively Ones

It's hard to imagine our school without such great people as Mr. Davis, our principal, Mr. Griggs, our assistant principal, and our two deans, Mrs. Storch, and Mr. Wiseman.

Mr. Davis faced such problems as the crowded halls — due to the increase in students. This problem was solved by the "split day." Seniors and Juniors found themselves starting school at 8:15, rather than 8:25, and getting out at an earlier time, 2:20. Sophomores and Freshmen came from 9:10 till 3:15.

Mr. Griggs, besides doing his normal duties, helped run the many elections we had and helped organize the new activities that came about.

Our deans, Mrs. Storch and Mr. Wiseman, are best known for their ability to keep students where they belong, in class.

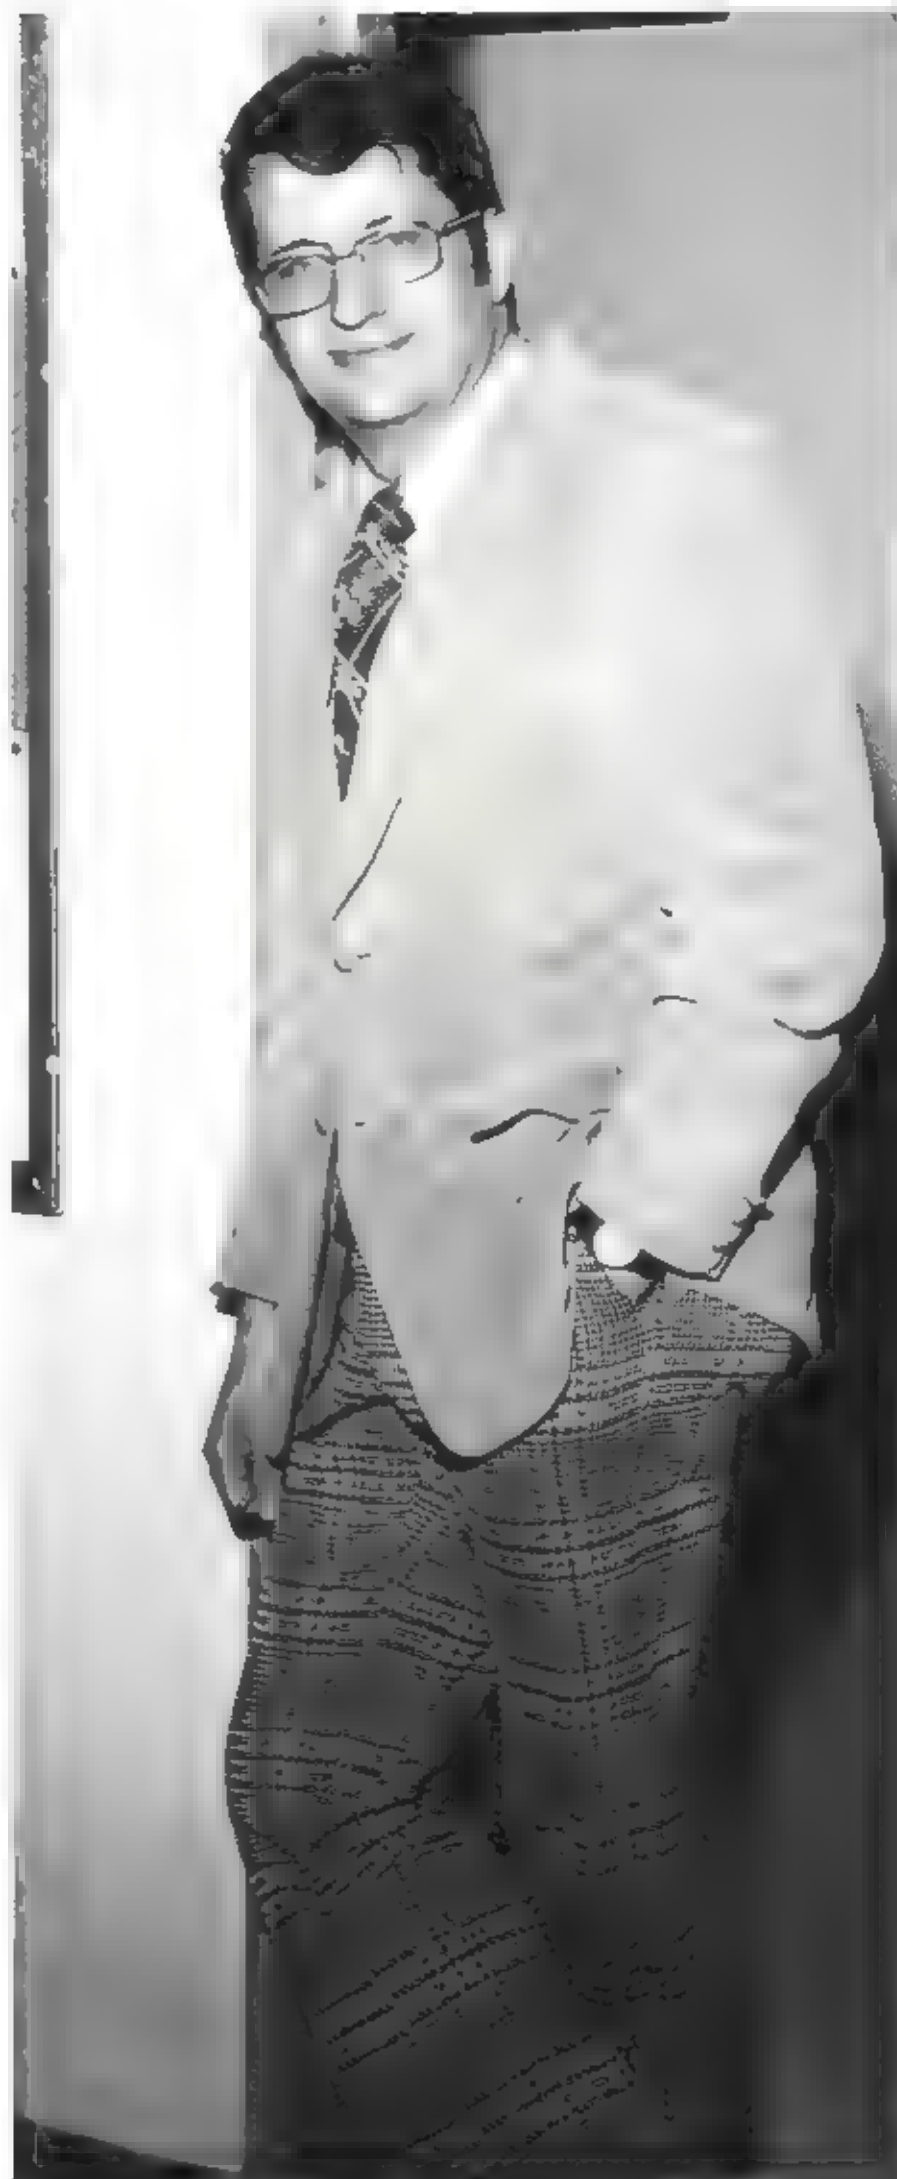

The biggest problem they faced this year was that of making sure Centennial's first four year high school was run smoothly, and we can all proudly say, "They did a great job."

Help and Understanding Make School Life Easier

Mr. Davenport, Mr. Sexton, Mr. Berger, Miss Watts, Miss Moon, and Mrs. Yates. These names became known to students. They are Centennial students' very own counselors.

Help is available when such problems as schedule conflicts, future careers, college plans, or personal problems arise.

The counselors will be those individuals thanked in the future for such things as getting ACT and SAT scores and taking care of scholarships and class ranking.

Where would we all be in ten years without our counselors now?

B

Building Towards the Future

Classes such as auto mechanics, drafting, woodworking, and electricity, brought to students vocational training, knowledge of how an engine works, and what goes into the design of a house

Electricity students found how important precision was when wires were joined and the juice finally turned on

Accurate measurements became essential once the drilling and hammering started in woodworking

These classes will prove to be beneficial the next time something goes wrong in your house.

Dare to Excel

The students at Centennial pass from one level of math to the next with the help of Centennial's great math teachers. This year many students came in for help before and after school. Algebra, Geometry, Trigonometry and many others were offered. Words such as vectors, cosines, and tangents became everyday words. Centennial challenges those students who enjoy math outside of the classroom with the yearly trip to Illinois State University for the state math contest and similar test at Parkland.

English (ińglish), adj. ME. Englysch; AS. englisc, aenglisc, lit., of the Angles; see ANGLES & ISH.

Advanced Rhetoric, American Lit., and Drama are some of the various classes the English department has to offer.

Vocabulary tests, term papers, and book reviews were the causes of many students' headaches. The wide variety of classes keeps English interesting. Freshmen were required to take the Freshman English class. Sophomores found themselves in either Basic Communications 1 or 2. Juniors fulfilled their requirements by choosing two semesters of any English class available. Seniors although not required to take English often found themselves in a class of their choice.

Foreign Language Develops Polyglots

A

Taking a foreign language gives a student the opportunity to learn about the customs and the people of that country. It offers many experiences which other classes cannot such as the opportunity for German students to go to Germany. The days spent learning verb forms, memorizing vocabulary, and listening to tapes in the lab, all seem to be worth it in the end

For Every Question Answered, Ten More Arise.

Many questions arose in the various science courses at Centennial. Most of these questions, although raising more at the time, were answered, sometimes through experiments, or films, or even the good old text book.

Students could choose classes like Biology, Chemistry, Anatomy, and Physics. Students were given the opportunity to go on the yearly trip to Allerton Park, dissect frogs and fetal pigs. Many of the science classes weren't a requirement, but the fullness of the classes would fool anybody

Around the World in Two Semesters

Every student in Centennial discovers at least one social studies class before he graduates. With the addition of Freshmen, two such classes are required. Although some students are delighted when their social studies requirements are through, many students go on to such classes as Contemporary History, World History and Sociology.

Unit Four School Board and District Administration

The Unit 4 Board of Education consists of 7 elected men and women. These men and women devote long hours formulating education policies for the district. They are not paid and spend much time studying educational ideas with the goal of providing the best education possible for the students of Unit 4.

Dr. Marshall K. Berner, Superintendent of the district, is responsible for carrying out the policies formulated by the Board of Education.

Dr. John Hillebrand, Assistant Superintendent for Instruction, had a challenging year implementing new educational programs for the district — including two 4 year high school programs and 3 middle schools.

Dr. Alain Holt, Assistant Superintendent for Personnel, has the responsibility of employing all district employees, both academic and non-academic.

Jerry Hoffman, Assistant Superintendent for Business, has a most challenging position — balancing a budget in an era of inflation and declining school population resulting in less state school aid.

Working as Individuals Yet Functioning as a Team

The cafeteria workers this year, along with creating nutritious varieties of lunches, had a suggestion box for anyone to submit ideas to further serve the people at Centennial.

The custodians were busy making sure that all of Centennial's lockers were in working condition. After school is out, into the late hours of the night, the custodians work endlessly to make our school something of which we can be proud.

Striders Outrun Competition

Finish Record High at Peoria

A

C

With the help of first year Coach Tim Fairchild, a strong "Top 6" consisting of Tom Cloyd, Ray Baker, Scott Dworschak, Stu Ruch, Taylor White, and Freshman Mark Wienke led the Striders to a 6-6 record.

But this record does not show the true story. The team had no true standout, just a hard working group of top 6 which generally finished within 30 seconds of each other (quite a feat in cross country) and this "Pack" finished a school record high (26th) at the Peoria Invitational, a meet which is second only to the state meet. Altogether this year's Striders made an individual sport a team effort.

B

- B - Taylor White picks up the pace.

A tough season was in store for the Chargers this year starting with a heartbreaking last second defeat to Central. But the following week they rebounded by conquering Urbana 12-6 and continued by shutting out Normal 3-0. MacArthur was rolled at Homecoming but another Decatur school dealt us a close loss the next Friday. In all the 4-5 record was more than almost 500, it was a record that easily could have been 7-2, it was a season which produced the "Rat Pack" defense well known for its quick and hard hitting tactics.

Centennial's Volleyball team executed many different changes in their team this year. A Freshmen team was added, Coach Nina Brown took over the job of J V Coach so Coach Nancy Croy could devote her full attention to the varsity squad. The volleyball season was moved more toward the start of school so the conflict of using the gym to practice wouldn't be a problem. The team put an all out effort forth to achieve a varsity record of 7-9. The returning of many Freshmen, Sophomores and Juniors should benefit next year's team enormously.

Under Coach Nina Brown and Tim Fairchild Centennial's girls' basketball team fulfilled their goals of winning more games, increasing shooting percentages, fouling less, and decreasing mental errors on the floor.

The number of Charger fans present at the games proved that the girls played great basketball.

This year's varsity basketball team started out with three spectacular victories, taking the Turkey Tournament trophy. The first game of the tournament was against Rantoul. In the last second Ed Justus made a shot from center court. As we heard the final buzzer the ball slipped through the hoop, and the Chargers pulled away with a victory of 56-55.

With rebounding from Andre Mitchell and the shooting from Mike Hinton we took the second game tournament against Pontiac.

Against "rival" Urbana shooting from Jeff Hall and rebounding from Mike Marsh coupled with Urbana's star fouling out, we took the trophy with a 77-54 victory.

In the regular season the team had a difficult time. After a losing streak the Chargers put it back together with a victory over Murphysboro at the Carbondale Holiday Tournament.

This year was the first year for "girls" swim team at Centennial.

Coach Nancy Croy inspired her team through meets and for some, higher competition. Centennial girls' swim team was kept busy making team records and practicing in those early morning hours before school. The girls combined their talents to come out with a great season.

Long practices after school, sometimes starving to get into a certain weight class, among many sacrifices made Centennial wrestlers sometimes wonder if it was all worthwhile. As the referee held up their arms in triumph the wrestlers knew it was worth it. Coach Nelson brought his team to a great season.

Netters Struggle Through

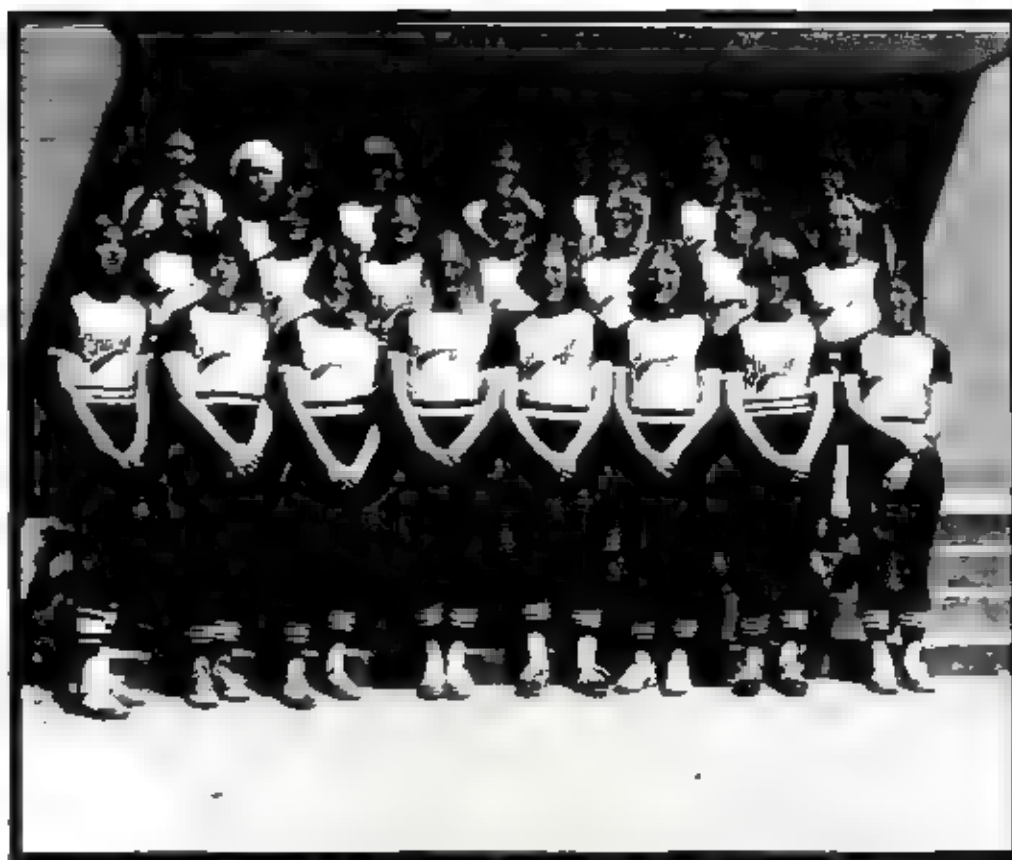

Coach Das led the 1977 tennis team. The individual skill in this sport combined in every match. Our Netters came to a good season with a record of 2-10.

Bryan Johnson, Fernando Gonzales, Rob Williamson, Chris Katsinas, Brad Visik, Brent Lanman, Don Kunde, Rick Rynes.

The girls softball team coached by Mrs. Goudie had a challenging season with a record of 3 and 4. Many tiresome hours of practicing in the gym and outside cold brought the team to a good season.

Baseball Attains Winning Season

Defeat Central

It didn't take long for Centennial's baseball team to admire their title as "District Champs of 1977" especially after a great win over Central 1-0.

Joe Tomlinson led his team through the season to a record of 14-5. These men put their individual skills together to form a great team.

440 Relay Team Breaks School Record

A lack of numbers hurt the track team last year, but despite this hand-cap a new school record in the 440 relay was set by Peter Bannon, Jack Duge, Terry Williams, and Brad Morgan. The team has many bright returners like Jack Duge in the 100 and 220 yd. dash. In long distance there will be Scott Dworschak and Tom Cloyd in the 880 yd. run, and the 2 mile.

Coach Dick Jones expects to solve the problem of members with the incoming freshman. All in all they are expecting a good season for 1978.

Girl Tracksters Gain Experience

Coach Stephanie Stith Bradby, in her first year of coaching Girls' Track at Centennial found a fabulous turn-out of girls for the team. The girls put a lot of effort into their practices and meets. The majority of this team will be returning next fall.

Front Row: Kathy McGinnis, Katie Mitchell, Andi Rodgers, Jamie Friedman, Karen Dussinger, Cristine Federhart, Cheryl Chareltan. **Bottom Row:** Coach Stith Bradby, Tanie Schade, Patty Perrisini, Caraoine Vchendu, Rose Ann Forrester, Anna Sanchez, Karen Stark, June Chiang, Eileen Merrill.

ORGANIZATIONS

We've Got Spirit

Varsity

The varsity cheerleaders found that their job wasn't any easier with the addition of freshmen at the games. More people were present in the bleachers; therefore, the cheerleaders had to yell a little louder to reach these people.

Their efforts paid off as they discovered that freshmen had spirit too.

Due to a promising career in gymnastics, the school mascot, Theresa May, resigned from her position half way through the year. Our new school mascot was Mary Rapier.

The girls did a tremendous job of keeping everyone on his feet and yelling.

Sophomore

While Juniors and Seniors were hard at work during first hour every day in class, the sophomore cheerleaders were hard at work practicing new cheers.

The girls cheered for every sophomore football and basketball game, along with helping to get spirit off to a good start at pep assemblies.

Their job didn't stop there though, they helped to give recognition to the players by putting decorative designs on the players' lockers each week, making signs for the cafeteria, and giving them flowers to wear on days of games.

The 1977 Homecoming Queen and King: Melanie Ignasiak and Mike Marsh

As Homecoming drew near, the school spirit rose and rose. Homecoming week brought such activities as Blow-em-up Day, T-Shirt Day, Knock-em-out Day, Burton Day, and Charger Day, where everyone showed their spirit by dressing up.

The night before the game a bonfire was held by the National Honor Society. Free hot chocolate and marshmallows were provided. The band "Pas Forward" was provided by Student Council. As the classes rushed to put final touches on the floats Homecoming night crept closer. Mum's were distributed on the day of Homecoming by the band. Student Council held a tremendous assembly. Centennial's past ten years were represented by the Homecoming Queens of 1967, 1968, 69, 72, 73, 74, 75, 76, and 77. The lights were dimmed as the Homecoming escorts walked the Queen candidates to the stage with a spotlight on the couple.

After school students watched as other students participated in Centennial's largest Homecoming Parade ever. Class floats and cars were decorated and led by Mr. Davis on his bicycle. Varsity show performed by the choir and faculty presented the theme, "It's a General, It's Wes, It's Super Charger." After the show the Pep Club sponsored the annual Chili Supper. The Senior Girls Council raffied off the Homecoming football. The winner was Kristie Stash. Hall time brought great excitement to Melanie Ignasiak, the 1978 Homecoming Queen. Fireworks followed the crowning of the Homecoming Queen. The football players played a great game. The winning score was 7 to 0.

The night after Homecoming many couples attended the Homecoming Dance. Mike Marsh was crowned Homecoming King. This year's Homecoming was the best we've ever had!

Jingle Bells

As Christmas approached, the weather turned more and more like winter. One more week before Christmas break, it snowed and blew leaving us with two snow days to relax, finish term papers, or do whatever we wanted.

The week before Christmas break proved to be exciting and spirit-filled. The crowning of Miss Jingle Bells, Lori Kuo, the Junior class candy cane sales, the choir and band concerts, and the senior class and Afro American Christmas dances highlighted the week.

The vacation of two weeks seemed well needed for all, but when it was over, students got back into the swing of things, and studying for their semester finals.

C — Editor Andi Rogers shares an amusing article with Lisa Butler

Putting out a bi-weekly newspaper is an endless process of planning, writing, editing, and meeting deadlines. The Centinal staff gained valuable experience in the field of journalism while keeping the student body informed on the happenings in school. Who can forget the Homecoming publication of the Centinal with the quiz page, or the many other editions of the paper?

Centurian Captures the Highlights of '77-'78

Even though many changes occurred at Centennial this year, the Centurian Staff continued to turn out a complete yearbook. Laboring over layouts, pictures, captions, copy and the final job of typing filled not only first hour every day but many hours after school as well.

Deadlines came, along with the pressure to get a section done, but in spite of it all Centennial's first four year high school yearbook was created.

Tournaments became an important part of the Speech and Debate clubs this year.

The Debate club observed debates at the U of I and even sponsored a U of I vs. Oxford debate here at Centennial. The club's topic was "Resolved: The Federal Government should guarantee comprehensive medical care for all U.S. citizens."

The Speech club participated in an I.E. tournament at Eastern Illinois University and competing in the U of I's Student Congress is planned to top off their season.

The various choirs, A Capella, Chamber, and Girls Ensemble, sponsor the annual Christmas, Winter, and Spring Concerts, along with playing an important part of Spectrum, the Spring Musical, and Varsity Show

These students discovered that getting up in front of the entire school, as demonstrated in the Christmas Assembly, and other audences takes nerve but is worth it!

To top off the year's achievements the choir performed in a Christmas T.V. Special

A Variety of Services Are Provided

Senior Girls Council performed many services for our school this year. They ushered for the Fall Play and Spring Musical and were hostesses for the Parent Open House. This year's Council also kept up the tradition of eating by having their annual Progressive Dinner and Slumber Party. Several new ideas were initiated this year. A Potluck was held for all members of the Senior Girls Homecoming Skit, and a raffle was held for the Homecoming football.

Radio Club

The Amateur Radio Club, under new director Mr. Kohler, found that putting an antenna up while roof work is being done can be very tricky.

Meetings, in the library on Thursdays kept the members going.

There were everything from novices to extrasor experts in Amateur Radio. All were trained in Morse code and taught how to handle emergency situations. When emergencies weren't on their minds though, communicating across the country proved to be exciting to all.

Thespians

The Thespian Society is a Chapter in an international organization noted in the performing arts. The Thespians carefully elected the Fall Play and Spring Musical so a variety of student interest would be accommodated. Each year Spectrum is sponsored by this society. The main objective of this organization is to create an interest in the lively performing arts.

D — Teresa Square doesn't seem to agree with Teri Bradley's suggestion at the Afro American meeting

Business Associates

The Business Associates, here at Centennial, held monthly meetings with guest speakers from the business world. Their meetings were a learning experience for all members. These students sponsored the school Book Store and had open gyms and bake sales to help pay for their annual field trip at the end of the year.

The class of '81 did a fine job of adjusting as the very first Freshman class of Centennial High School. The Freshman class officers needed vitality and enthusiasm in order to establish their identity in their new environment. The officers were well qualified to lead their supporters into a fine showing of their homecoming float.

The Freshmen can look forward to another three successful exciting years at Centennial.

SOPHOMORES

Sophomores Are on Their Way Up

The Class of '80 was quick to jump into the swing of things at Centennial. To finally be at Big "C" was a great challenge.

The sophomores showed great enthusiasm and spirit at football games and in the making of their Homecoming float. The fine work done on their float was not in vain for their float was chosen as Centennial float winner. This is the first time Sophomores have ever won the float competition.

Centennial will benefit greatly by this strong spirited group.

Their first year of high school went fast for the class of '80. Sophomores became accustomed to the many new areas that come with high school: new activities, new classes, and of course new friends. Sophomores became accustomed to having Freshmen, Juniors and Seniors in class with them. The sophomores' show of enthusiasm will make its mark here at Centennial.

IN MEMORY OF GREG PANKAU

For those of us who were fortunate enough to cross Greg's path of life, we will always remember his kindness and his true concern for our feelings.

I'll lend you for a little time
a child of Mine, He said,
For you to love the while he lives
and mourn for when he's dead.

It may be six or seven year,
or seventy—two or three,
But will you, till I call him
back, take care of him for Me?

He'll bring his charms to gladden you,
and shall his stay be brief,
You'll have his lovely memories,
as solace for your grief

I cannot promise he will stay,
since all from earth return,
But there are lessons taught down
there I want this child to learn.

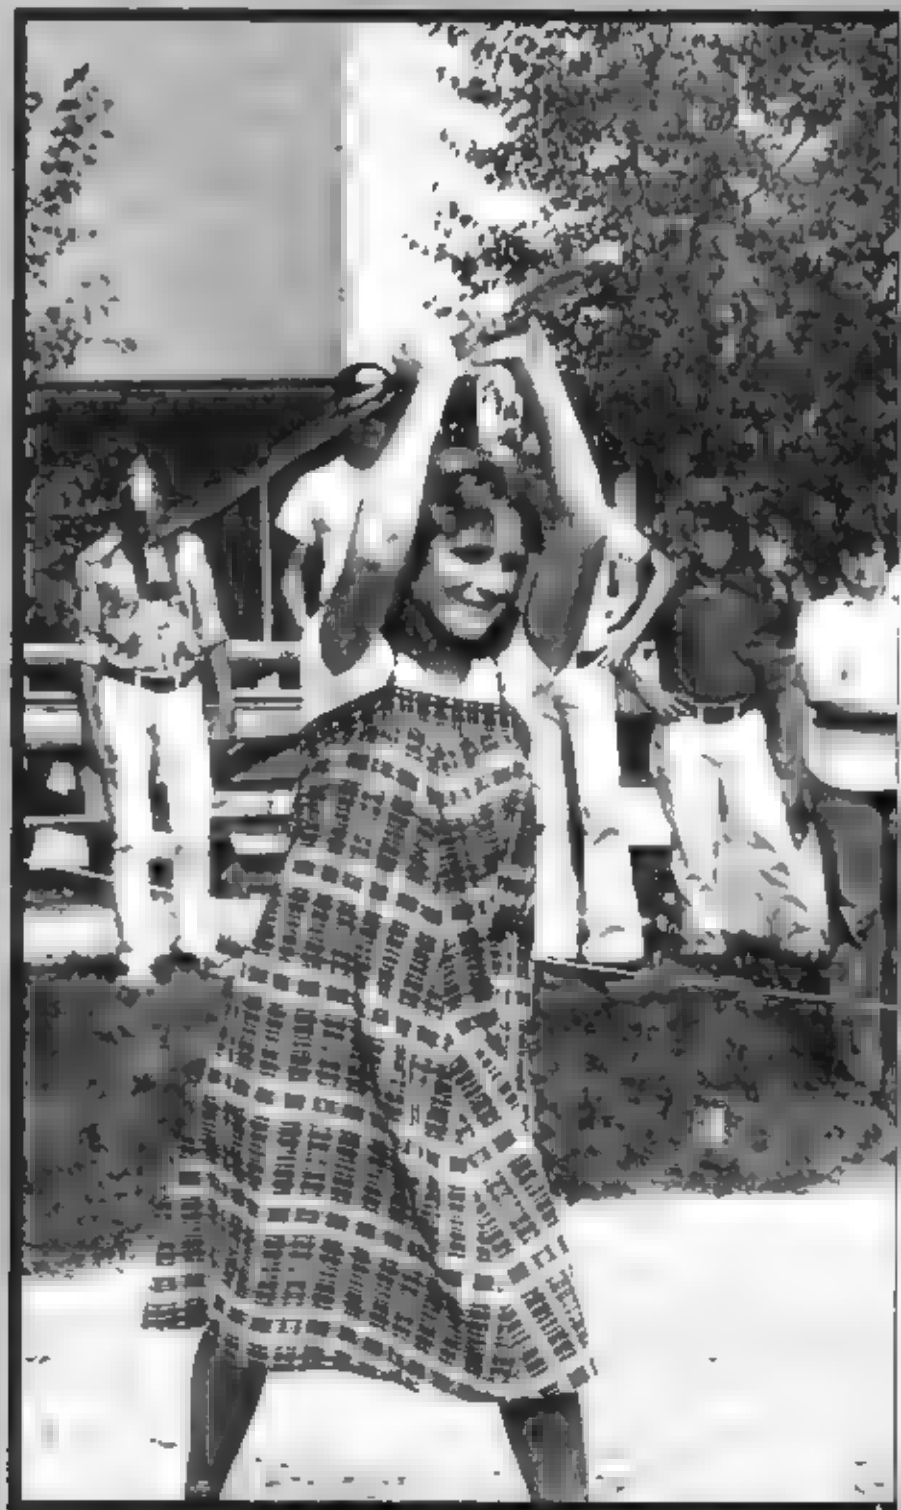

I've looked the wide world over in
My search for teachers true,
And from the throngs that crowd
life lanes, I have selected you.

Now will you give him all your love,
not to think the labor vain,
Nor hate Me when I come to
call to take him back again?

I fancied that I heard you say,
"Dear Lord, Thy will be done,
For all the joy Thy child shall
bring, the risk of grief we'll run."

"We'll shelter him with tenderness,
we'll love him while we may,
And for the happiness we've
known forever grateful stay."

"But shall the angels call for him
much sooner than we'd planned,
We'll brave the bitter grief that
comes, and try to understand."

Juniors Look Forward to Their Last Two Years at Centennial

The leap from sophomore to junior was a big move to make. New decisions to be made, PSAT, ACT, and SAT tests had to be taken and the class had to make money for Prom. The juniors made their way toward Prom with such money-making projects as the 25¢ candy cane sales for Christmas and the magazine sales. Both of these and endless bake sales were very successful. The juniors displayed their fine creative talent in their Homecoming float, which won a spectacular second place.

Seniors Make the Final Steps

As school began, the class of '78 started their last year at Centennial High School. For some, happiness set in, no more teachers, no more homework, and no more big hassles. But for others the thought of leaving the Big "C" was sad; friends were going separate ways and leaving their high school years behind them and going on.

The seniors are the true leaders of the school for they have had the previous experience of an underclassman.

Seniors were quick to get involved this year in the many different activities, whether it was building their homecoming float or making plans for their Sen or Christmas dance, a tradition they hope will be carried on.

Seniors Reminisce

A procession of the class of '78 will soon march to the strains of Pomp and Circumstance. This will be the last time we will all be together as a class to reflect on the good times as well as the bad; the happy times as well as the sad. We will all go our separate ways, but part of Centennial will remain with us forever

To Diana,
 A crazy but
 nice young lady.
 You a lot of fun
 to be with. I'm
 sure that we'll
 miss the
 spectacular time
 our exciting 2, 3
 classes. Get on
 in the future
 & keep at it.
 I know for sure
 that you'll make
 it all the way.
 You've got a good
 head on your
 shoulders. Keep
 in touch good

The Fall Play — As Usual

Came to Dinner

Success!

This year's fall play, *The Man Who Came to Dinner*, will stay in the minds of both the actors and the audience as moments are remembered. The man, David Neuman, rolling around the stage in his wheel chair with a supposed broken hip," the different guests that pop in and out to see this magnificent "Sheridan Whiteside," and the effects on the homelife of the family this man was staying with, among other treasured moments in this play, will remind us of this fantastically entertaining show.

Let it Snow, Let It Snow, Let It Snow

This winter was a memorable one in the minds of Centennial students. The abundance of snow was unbelievable and for most students, it meant **SNOW DAYS!** It offered the opportunities to go sleighing at their favorite place whether it be good ol' Centennial Hill or Orchard Downs, or taking advantage of the snow days to complete their term papers. Whether these days were spent sleighing and studying, or sleeping and shoveling; it certainly was a winter long to be remembered!

As the Yearbook took shape, many people contributed their time and services, and we would like to take time out now to thank them. Our sincere thanks to: Miss Engelhaupt, our advisor, whose name should have been Patience, and Corey Mundwiler, our Taylor Yearbook Representative. Thanks to Nancy Cleland and Todd Manley for selling advertisements, and photographers — Lori Waddell, Darrell Session, and special thanks to Nathan Carlson. Diana Brockman for the endless hours of typing, copy editor Penny Willenbring, and Ken Payne for the cover design. Special thanks to Mr. Borrer and Mr. Hembrough for always being there when we needed film developed. And to our fellow staff members.

Through all the hectic deadlines, utter chaos, and crises, we finally did it!! If we got on each other's nerves during these trials and tribulations, hopefully all is forgotten. You were a great staff, and we enjoyed working with you. To you and Centennial, we both say — "Thanks for a Great year!"

COMMUNITY

I like,
 It's been fun in P.E.,
 when we haven't done
 swimming, basketball, volleyball
 and soft ball. I hope you
 have fun at Big Mac working
 there. Have fun this summer

Diane -

Well we did it! After
12 yrs of school we made it
what do you say. It's really
been fun having you in PE and
getting crazy. I'll try not to
get too loaded before our re-meetment
but, if I do I'm counting on you
to help me up those stairs (HA'HA)
Good Luck in the future

Memories . . .

Damn

to a guy I met
about 31 years ago

I wish you were

being around you

when we could

I wish you were

with the future.

Right

with you

the good world, maybe

and have a lot of

fun. I see you around

sometimes this summer,

we can go get a bottle of

beer give a little or

something to that effect.

Take it easy and stay

the same and you'll make

it in life with a leading

path. But for now, you

after come back in party B Ball.

Oh, I see you around

sometimes this summer,

we can go get a bottle of

beer give a little or

something to that effect.

Take it easy and stay

the same and you'll make

Damn, do a fellow

boardroom play and

typing document. I hope

you get everything you

want out of life. See

you're leaving the

bad you're leaving the

#1 high school & you're

really a nice person

and have a lot of

fun. I see you around

sometimes this summer,

we can go get a bottle of

beer give a little or

something to that effect.

Take it easy and stay

the same and you'll make

it in life with a leading

path. But for now, you

after come back in party B Ball.

Damn,

a crazy — fool (kidding)

who I just met this year

but it's been nice and I

hope to see you many more

years to come. Good luck!

Ps. Keep on drinking.
